Scissors, Thread, Iron, Craft Glue , Small Paint Brush

Optional Small Button or Trim

Fold # 5 Grosgrain in half width wise. Sew by hand or on machines to make a tube. Thread plastic headband into grosgrain tube. Sew or glue the ends together.

Put a small dab of glue on to the stem of the Feather Trim and center position it on to the top of the right side of the Feather pad. Draw a line down the center back of the Feather Pad.

Center the Pad onto the band.
You can now stitch or glue the Feather Pad onto the band.
